October 2018

Dear Parent/Carer

At Ormiston Venture Academy, we continue to recognise and value the importance of your involvement in your child's education and the positive impact this has on academic success. To enable you to support your child's learning we are holding an **Academic Review Day** on **Thursday 1st November** from **11am-7pm** at which we look forward to discussing your child's success this term.

Families will attend a 20 minute meeting with their child(ren) and their PL tutor, receiving a report outlining progress across the curriculum this term. There will be the opportunity to discuss your child's performance in lessons and successes both in and out of the classroom. We will also jointly set targets for further progression. This meeting is essential for you to support your child's learning.

Please see the potential time slots below on which you should indicate your preferred appointment. Your child's PL tutor will confirm the exact appointment via the slip below or e-mail if you would prefer.

To enable such personal and in-depth meetings to take place, students will be expected to work from home for the day. **Your child should only attend the academy for their appointment**, during which they should wear **full uniform**. Your child is still required to complete work from home for the remainder of the day. Work will be set for students on their Go4schools account or directly from their teachers.

We have also arranged for our annual **Careers Fair** to be held on the same day. Employers, businesses, training providers and local Further and Higher Education representatives will be on hand to answer any questions you have regarding post 16 study and potential careers. The Careers Fair will be held in the main hall and run from **5pm-7pm**. All students and parents are actively encouraged to attend and find out more about post Venture options.

We look forward to meeting with you on the 1st November and thank you in advance for your continued support for your child's learning and for the Academy.

Yours sincerely

Mr I McNally, Assistant Principal
